

Dear Rider,

The organizers of Pferd International, München are working together with EventClearing that is in charge of collecting the "Entry fee per horse" ahead of the event and distributing the prize money afterwards. The prize money will be paid directly after the show on the bank account you register at EventClearing. The whole procedure is settled and controlled by "EventClearing", the overall responsibility stays with the organizers of Pferd International.

For the riders who already used [app.eventclearing.lu](http://app.eventclearing.lu) before: some features like "employer status" instead of "Billing address" have been updated. And you see the funds you keep with us ("Balance"). Please let us know if we can help you at any point using our software.

If you did not agree any package prices with the O.C. then please make at least the following payment of the "entry fee per horse" **latest until 04.05.2018.**
