

Dear Athlete,

Welcome to the CDI**** Leudelange 2019! The organizers of this event are again working together with EventClearing. We are in charge of collecting the "Entry fee" ahead of the event, taking care for the accounting and distributing the prize money afterwards. The prize money will be paid directly after the show on the bank account you register at EventClearing.

The inscription of the rider will only be valid if the entry fee plus charges are paid! Please note that the "no-show-fee = entry fee" is due for all horses that will be withdrawn after definite entry (June 17th, 2019).

Please enter your personal profile on app.eventclearing.lu. You will find a personalized pre-invoice if you would like to know the exact amount to pay. If you forgot your password or use this platform the first time, please press [here](#).

The organizer asks you to communicate with them only via this platform. Please fill in your special requests in "Comment" when you open the details of "CDI Leudelange" in your profile. Press "Send Payment Advice pdf to the Organizer" after you reviewed your payment advice by pressing the green "Preview Payment Advice" button.

Please make the transfer **latest until 28.06.2019 and only to this EUR-account:**
