III. THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and Athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

The **Long version** of this Code can be obtained from the Fédération Equestre Internationale, HM King Hussein I Building, Chemin de la Joliette 8, 1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English. The Code is also available on the FEI's website: <http://inside.fei.org/>.

If your National Federation does not have a personal accident/health insurance policy or if the National Federation's insurance policy does not cover personal accident or health claims, then you should obtain your own personal accident and health insurance policy to cover your attendance/participation at FEI Events.

1.1.2. Personal Property Insurance

You should also ensure that you are insured against property loss, theft or damage which may occur at an FEI Event.

Again, the advice is to check with your National Federation to confirm if they have an insurance policy in place which would cover you in case of such property loss, theft or damage. If not, then you should obtain your own personal property insurance to cover such situations.

1.1.3. Press Equipment

Press equipment and other items left in the Press workroom, Press lockers, the Press Tribune or anywhere on the showgrounds are left entirely at the owner's risk. The Organising Committee does not accept any responsibility for any loss or damage to such equipment or items. Members of the Press are advised not to leave any equipment or personal items unattended.

1.2. ATHLETES AND OWNERS

1.2.1. Third Party Liability Insurance

As an Athlete/Owner you are personally responsible for damages to third parties caused by you, your employees, Support Personnel, your agents or your Horses. You are, therefore, strongly advised to take out third-party liability insurance providing full coverage in relation to FEI Events at home and abroad, and to keep the policy up to date.

The FEI and the Organiser will NOT be responsible for any damage caused to third parties by you, your employees, Support Personnel, your agents or your Horses.

1.2.2. Additional Liability Information

The Organising Committee will not accept responsibility for any accident happening to owners, participants, grooms, to or because of their horses to third parties in whichever circumstances, inside or outside the show grounds, during, before or after competitions. The civil and financial responsibility of the Organising Committee and its co-operators will

never be liable in any circumstance.

The Organising Committee (including their employees, representatives and show officials) will not be responsible for any accident, injury or damage that may occur to, or any illness or disease which may be contracted by any horse entered at the LerchPartner.ch CSI Humlikon – 2019 however occurring, and the Athletes and Horse Owners shall keep the Organising Committee indemnified against all liability whatever arising from any accident, injury, damage, illness or disease.

Athletes recognize and accept that all equestrian sports involve inherent risks and that no helmet or protective equipment can protect against all foreseeable injury. Consequently, by entering their horse(s) for LerchPartner.ch CSI Humlikon – 2019 they accept the risk and hold harmless the Organising Committee, the FEI, the officials, agents, employees and their representatives.

The Organising Committee will not be in any way liable for anything that may happen (from any cause or circumstances whatever) to property brought into the event or for any other loss, claim, circumstance, matter or event whatever in connection with, or arising out of, or attributable to the actions of the Organising Committee (including their employees, representatives and show officials) or any of their officers, or agents or these or any other rules or regulations special conditions prescribed by the event.

1.2.3. Horse Insurance

As an Owner you should ensure that your Horses are adequately insured against any injuries or illnesses they may sustain while participating at a FEI Event.

2. PROTESTS/APPEALS

To be valid, all Protests and Appeals must be made in writing and accompanied by a deposit of CHF 150.- or equivalent.

Protest and appeal forms are available on the FEI website:

Protests: <http://inside.fei.org/sites/default/files/FEI%20Protest%20Form.pdf>

Appeals: <http://inside.fei.org/sites/default/files/FEI%20Appeal%20Form.pdf>

3. SCHOOLING DURING COMPETITIONS

Athletes wishing to school during speed competitions (Table A and Table C) must inform the OC before these competitions begin. These athletes will start first in these competitions.

4. STEWARDING

- If an athlete is uncertain as to whether the boots he/she intends to use during an event are allowed, he/she or his/her representative should show the boots to the Chief Steward for his/her opinion before the boots are used in training or in competition.
- In addition, athletes are to be made aware that hind boots must be removed and placed again on the horse's legs in the presence of a Steward while in the warm-up arena prior to entering the competition arena for certain competitions. (If bandages are used in place of boots, athletes are not required to remove the bandages in the warm-up arena.) This procedure is compulsory for competitions for which boot and bandage control is mandatory, that is the Nations Cup, Grand Prix, and the competition with the highest prize money, and is at the discretion of the Chief Steward for other competitions.
- As an alternative to carrying out this procedure at the time designated by the Steward an athlete may ask his/her groom to take the boots to the in-gate and place them on the horse's legs in front of the Steward prior to the combination entering the arena.

- The Steward has the authority to intervene if a boot is deemed excessively tight by instructing that the boot be removed and put on again correctly. *[Stewards are to note that it is normal for a horse's gait to be somewhat affected immediately after boots have been removed and re-placed.]* If an athlete or his/her groom refuses to remove and replace the boot(s) when instructed to do so by the Steward, a Yellow Warning Card will be issued to the athlete in question.
- If it is deemed impossible or unsafe to remove the hind boots in the warm-up arena prior to the combination entering the competition arena, due to an extremely excited or nervous horse, the boots of the horse in question are to be removed by the athlete/groom following the athlete's round upon leaving the arena and inspected by the Steward. This inspection may be carried out during the boot and bandage control if the boot and bandage control is carried out for the competition in question.
- This procedure does not replace boot and bandage control after completion of an athlete's round for competitions for which boot and bandage control is mandatory (refer to JRs Art. 244.1).

5. DISPUTES

In the event of any discussion concerning the interpretation of the schedule (in translated languages), the English version will be decisive.

6. MODIFICATION TO SCHEDULE

In exceptional circumstances, together with the approval of Chefs d'Equipe, host NF delegate, if any, and the Ground Jury, the Organiser may change the schedule in order to clarify any matter arising from an omission or due to unforeseen circumstances. Any such changes must be notified to all athletes and officials as soon as possible and they must be reported to the FEI Secretary General by the Technical Delegate, the President of the Ground Jury or the Foreign Judge, as applicable.

7. ADDITIONAL INFORMATION FROM THE OC

A. SHORTENING/CANCELLATION

The Organising Committee reserves the right to take all necessary action, including cancelling or shortening the LerchPartner.ch CSI Humlikon – 2019, due to special and/or unforeseen circumstances, which in the opinion of the Organising Committee, would make the continuation of the event unjustified. Any such decision will be taken in agreement with the Secretary General of the FEI. No consequential liability whatsoever can be accepted in such occasion. Gen. Reg. 115.1 and 115.2.

B. START & RESULTS LISTS

The name of the owner of each horse will be added to all start lists and result sheets, as well as its stud book initials, country of birth, sex and age.

C. DECLARATIONS

No horse will be allowed to start in more than one competition per day. Each individual athlete is allowed to compete with one horse only in each competition. Moreover, no horse will be permitted to compete in any competition, unless the declaration has been made within the deadline specified down below, i.e.:

a) Horses participating in competition no 01, 02 and 03 on Wednesday (August 28, 2019) must be declared at the secretary's office, immediately following the official Horse Inspection of the CSI 1*/CSI-Am horses on Tuesday August 27th 2019 but in any case at 19hrs00 at the latest;

b) Horses due to compete in competition no 04 on Wednesday (August 28th 2019) must be declared at the secretary's office, immediately following the Horse Inspection of the CSI 3* horses on Wednesday August 28th 2019, but in any case at 16hrs30 at the latest;

c) Horses due to compete in the competitions on Thursday, Friday, Saturday and Sunday (August 29th up to and including September 1st, 2019) must be declared the night before at the secretary's office, at the latest 30 minutes after the prize giving ceremony of the last competition of the day.

D. SUBSTITUTION

After declaration no substitution of horses will be permitted, unless the Event's Treating Veterinarian certifies officially, that the declared horse has become unfit to compete since the time of declaration. The final decision about the substitution is however at the discretion of the Ground Jury, following consultation of the FEI Veterinary Delegate.

E. PRACTICE ARENA

Training (including working, lunging and walking) of horses is only allowed at specified times on the official and controlled exercise areas, provided by the Organising Committee from Tuesday August 27th 2019 (immediately after the 1st Horse Inspection), until the conclusion of the event on Sunday, September 01st 2019.

The exercise / practice areas will be permanently supervised by FEI stewards. During a competition the exercise/practice area is strictly reserved to horses starting in the present competition and the next three athletes must be mounted and ready to enter the arena.

If an athlete is not ready when his/her starting number/name is called, he/she will lose his/her place in the starting order and he/she will be eliminated from that competition at the discretion of the Ground Jury, unless certain circumstances prevent this (e.g. losing a horse shoe just before his/her turn to start).

F. IMAGE RIGHTS

The Organising Committee reserves the right to use – without any compensation due – photographs, videos or any other digital registered picture from athletes and/or horses, made or registered during LerchPartner.ch CSI Humlikon – 2019, for promotional and/or marketing purposes, related to the event.

It is a condition of entry that all athletes will permit any photographic or filmed material derived during the course of the event, to be utilised subsequently by the Organising Committee for future promotion of their business interests or the show, at no cost to the latter. Moreover the Organising Committee would highly appreciate the athletes' co-operation for marketing activities related to the event (for example to join a meet and greet session with main sponsors), for approximately 20 minutes maximum, if so requested.

G. INCIVILITY

Any act of discourtesy or disobedience to any judge, steward or any show official on the part of the athlete, groom, driver or owner of a horse may – at the discretion of the President of the Ground Jury – result in the athlete's horses being disqualified from the event, in which case (entry) fees and prize money won will be forfeited.

H. PARADING

All horses must be paraded whenever so ordered by the Organising Committee or an authorised show official. Any failure to comply with this rule may result in disqualification from competing and forfeiture of prizes, at the discretion of the Ground Jury.

I. DOCTOR | MEDICAL SERVICE | FARRIER

Veterinary and medical assistance, as well as farriery services, are available for the duration of the event. These are at the expense of those requesting them. When, in the opinion of the Show's veterinary surgeon, a horse is so severely injured that it ought to be humanely destroyed, the Person Responsible should where possible first be informed. However, the Show's veterinary surgeon may proceed with humane destruction, without reference to the PR, in order to prevent undue suffering to the horse. Before taking this action, the Show's veterinary surgeon should, wherever practicable, seek a second veterinary opinion. In such eventuality, owners are responsible for the cost of disposal.

J. PRIVATE VETERINARY SURGEONS

Private veterinarians will have to report to the FEI Veterinary Delegate upon their arrival at the show grounds, before they will be accredited and be allowed to enter the restricted area. M. EMERGENCY STABLE CARDS

ECSCs will be available in the stabling area. It is the responsibility of the rider/groom to complete the card in full and affix to their horses stable door for the duration of their stay at the show. The tax form must be provided to the athletes upon arrival and returned to the Organiser prior to departing.

Foreign athletes are taxable in Canton Zürich | SUI by 20% tax deduction on money prizes won; the Organising Committee will deduct taxes from prize money won immediately. The tax will be calculated on the rider's tax residence registered at "app.eventclearing.lu"

In all cases, athletes will be invited to provide all necessary information, in order to guarantee the correct tax procedure; to this purpose all athletes must provide the Organising Committee with a copy of the relevant pages of their passport and their home address. Every athlete is responsible for the correctness of the details he/she submits.

PRIZE MONEY TRANSFER

Distribution of prize money after the event is administered by "EventClearing". The prize money will be transferred to the account that is registered at "app.eventclearing.lu". For further questions please contact EventClearing (info@eventclearing.lu)

IMPORTANT

The total amount of prize money shown for each Competition in the schedule must be distributed. (FEI General Regulations articles 127 and 128)

For details of the prize money breakdown for each competition please refer to the tables at the end of this document; the Organiser must specify which of the two (2) tables will be used. The total prize money for the Competition must be distributed among the first twelve (12) placed athletes.

The Organiser must provide additional created prizes for athletes placed beyond twelfth (12th) place. The minimum amount for each of these additional prizes, for athletes placed from thirteenth (13th) to last place, must be clearly specified in the approved schedule and not exceed the prize money of the athlete placed twelfth (12th)

9. MAXIMUM NUMBER OF STARTERS PER COMPETITION

***Annex VI FEI Jumping Rules:**

Maximum 100 starters per Competition other than the GP. If more than 100 starters are declared, the OC must provide the following percentages of additional prize money for every ten declared starters, up to 120 declared starters:

- 101 to 110 declared starters: the OC must provide 133% of the original Competition prize money, which is to be distributed among the 16 best placed athletes in the Competition according to the prize money distribution chart I or II. The additional prize money provided by the OC is not taken into consideration with regard to the overall prize money that determines the star level of the Event or the Longines Ranking point group of the Competition, if applicable.

- 111 to 120 declared starters: the OC must provide 166% of the original Competition prize money, which is to be distributed among the 20 best placed athletes in the Competition according to the prize money distribution chart I or II. The additional prize money provided by the OC is not taken into consideration with regard to the overall prize money that determines the star level of the Event or the Longines Ranking point group of the Competition, if applicable.

If more than 120 starters are declared, the OC must split the Competition into two groups and provide 200% of the original Competition prize money which is to be divided equally between the two groups. The additional prize money provided by the OC is not taken into consideration with regard to the overall prize money that determines the star level of the Event or the Longines Ranking point group of the Competition, if applicable.

OCs may apply either of the following methods for splitting the Competition:

The competition is split into two groups before it starts. There may be athletes with multiple horses in each group but all horses of any one athlete must be in the same group. If it is not possible to have two groups of equal size there may be a different number of starters in each group;

OR

The competition is run as one single competition and split afterward into two groups and the classification established as follows: the athlete with the best score is the winner of the first group, the athlete with the second best score is the winner of the second group and so on until prizes have been allocated to 25% of the total number of starters. *NB: In this case separate results must be sent to the FEI for each of the two groups, e.g. results for Competition 1a and for Competition 1b.*

In both cases above each group must offer the same amount of prize money. For the avoidance of doubt, it is the number of declared starters in the Competition, not the final number of starters, that determines whether the Competition must be split.

If there are more than 200 declared starters, the OC must split the Competition into three groups and provide the same percentages of additional prize money as indicated above (100% of original Competition prize money to be provided for each of the three groups if each group has 100 or fewer starters; 133% of original prize money to be provided for each group if any of the three groups has 101-110 starters; 166% of original prize money to be provided for each if any of the three groups has 111-120 starters).

³ For CSI-W Events with a Grand Prix Competition in addition to the FEI World Cup™ competitions, the minimum prize money requirements indicated above for the Grand Prix apply only to the FEI World Cup™ Competition as it has the status of a Grand Prix; the Grand Prix Competition at such Events cannot offer more prize money than the prize money offered for the FEI World Cup™ Competition. Refer to the FEI Jumping World Cup™ rules for details relating to date of implementation of this rule at CSI-W Events.
