

Aachen International Jumping – Very important information

Dear participants of this year's Aachen International Jumping,

we look forward to welcoming you to this year's jumping tournament. You all know that this year we have to take special rules into account in order to be able to hold the tournament.

Together with EventClearing we have found a way to make it as easy as possible for you to provide the required data. To make it easier for you to arrive at the tournament site, we ask you to register your companions on the app.eventclearing.lu platform with your personal access ahead of the event. Below you will find the number of accompanying persons that we have received from the authorities:

- **For 1 horse 2 bracelets are provided** (1 rider + 1 accompanying person like groom)
- **For 2 and 3 horses 3 bracelets are provided** (1 rider + 2 accompanying persons like grooms)
- **For 4 horses 4 bracelets are provided** (1 rider + 3 accompanying persons like grooms)

Please provide the following officially required data for your accompanying persons before your departure to Aachen:

Name, first name, home address, email address, mobile phone number, function of the companion

If you have not yet registered with EventClearing personally, [please click here to generate your password](#) (at least 8 digits without your name). [You can find an instruction manual for storing your accompanying persons here.](#)

All information about accompanying persons who have not already been listed as customers in the EventClearing system will be deleted without reservation four weeks after the event, analogous to the statutory data protection requirements.

If you have any questions, please contact Matthias Lienhop at 00352-671505707 and matthias@eventclearing.lu.

We wish you a pleasant journey and a lot of success
