

Dear participants,

We are very pleased to be able to organize international jumping tournaments in Chevenez even in these tense times. This year, the official requirements are currently somewhat looser than in the previous year.

For people:

A Covid certificate is mandatory. From Thursday morning you can get tested on our tournament grounds. If you would like to be tested on Wednesday evening, please contact us at info@eventclearing.lu. In this case, a test center will be organized from 7pm on October 13th (only on registration!).

For the horses:

Please urgently remember the FEI's requirement to record the temperature of the horse and the "Health Certificate" twice a day in the FEI app ([link to download here](#)) 10 days before the event. ([RDI information here](#))

Due to the mandatory veterinarian check, arrival is only possible on Wednesday, 13 October 2021, between 8.00 and 17.00 o'clock!

The finances:

The advance payment of the participation fee is also mandatory. Please use your personal access to app.eventclearing.lu to create your personalized pre-bill. If you have forgotten your password or log in for the first time: [please click here](#)

Please arrange the payment of the corresponding amounts by 08.10.2021 at the latest exclusively to our EUR account.
