

## Zurich Jumping Masters 2023

Dear riders,

The organizer of the Zurich Jumping Masters 2023 in Zurich-Dielsdorf works together with EventClearing. We are responsible for collecting the entry fees and all additional services, billing the tournament and distributing the prize money after the tournament. The prize money will be paid out immediately after the tournament to the account that the rider deposited with EventClearing.

**An important request: if you arrive with a truck and park it on the event site, please let us know at [info.zurichmasters@gmail.com](mailto:info.zurichmasters@gmail.com).**

**The payment of participation fees in advance of the event is mandatory.**

Please use your personal access to [app.eventclearing.lu](https://app.eventclearing.lu) to create your personalized advance statement. If you have forgotten your password or are using the platform for the first time: [please click here](#).

Please arrange for the relevant amounts to be paid exclusively to our EUR account **by August 4th, 2023 at the latest**.

The money in your profile is yours until your horses have passed the vet check. It is advisable to transfer a slightly higher amount for possible purchases of hay & shavings. There are 3% extra costs for billing via credit card.

**For all participants who drive across the border: please try to get 30-day traces so that the official veterinarians of the Zurich Veterinary Office do not have to be called out. If you still need new traces for the return journey, please contact [info.zurichmasters@gmail.com](mailto:info.zurichmasters@gmail.com) immediately.**

The EventClearing team is available at [info@eventclearing.lu](mailto:info@eventclearing.lu) for queries and calculation aids.
