III. THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and Athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

The **Long version** of this Code can be obtained from the Fédération Equestre Internationale, HM King Hussein I Building, Chemin de la Joliette 8, 1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English. The Code is also available on the FEI's website: <http://inside.fei.org/>.

654 | 1.1 Invitation System – Western Europe

In Western Europe, the following are invited to each Western Europe FEI World Cup™ Event and where indicated have the automatic right to compete in the FEI World Cup™ Competition:

1.1.1 Top Ten Western European League Athletes of the Jumping - Longines Rankings (*Big Tour incl. FEI World Cup™ Competition*)

The Top Ten Athletes on the Longines Rankings list (WEL Athletes): Henrik von Eckermann SWE, Ben Maher GBR, Martin Fuchs SUI, Steve Guerdat SUI, Julien Epailard FRA, Simon Delestre FRA, Max Kühner AUT, Harrie Smolders NED, Richard Vogel GER, Harry Charles GBR

If one of the above Athletes on the Jumping – Longines Rankings (August and November Lists used for invitations as described in Article 654.5.2) decides not to compete at an Event, he may be replaced by an Athlete nominated by his NF. Such replacement must be from the top 100 of the Jumping – Longines Rankings (August or November list, as applicable) or from the top 18 on the FEI World Cup™ WEL standings in the first half of the season. If the NF cannot replace the Athlete in question, he may be replaced by the organiser from the top 45 on the Jumping – Longines Rankings from a foreign country or from the home country from the top 100 on the Jumping – Longines Rankings. These Athletes are pre-qualified for the FEI World Cup™ Competition. Unused starting places in paragraph 1.1.1 go to paragraph 1.1.5 if no qualifying Competition is held and to paragraph 2 if a qualifying Competition is held. (= max. 10)

1.1.2 NFs hosting an FEI World Cup™ Competition – BEL, ESP, FIN, FRA, GBR, GER, ITA, NED, NOR, SUI & SWE (*Big Tour incl. FEI World Cup™ Competition*)

Each NF of a country organising an FEI World Cup™ Competition in Western Europe may send one (1) Athlete to each FEI World Cup™ Event in Western Europe. These Athletes are pre-qualified for the FEI World Cup™ Competition. Selection of Athletes must first be made from the Longines Rankings (August or November list, as applicable) position 11 to 100 if the NF has an Athlete in this group wishing to take part at the Event. Otherwise, Athletes may be selected from any position on the Longines Rankings. The Athlete/Horse combination must be approved and selected by the National Federation. If the NF cannot send an Athlete, he may be replaced by the OC from the top 45 on the Jumping Longines Ranking from a foreign NF or from the home NF from the top 100 on the Jumping Longines Ranking (August or November list, as applicable). These Athletes are pre-qualified for the FEI World Cup™ Competition. Unused starting places in paragraph 1.1.1 go to paragraph 1.1.5 if no qualifying Competition is held and to paragraph 2 if a qualifying Competition is held. (= max. 11)

These Athletes are pre-qualified for the FEI World Cup™ Competition. (= max. 4)

Unused starting places from category 1.1.3 go to category 1.1.5.

1.1.4 Three NFs of Athletes with most Points – GER, BEL & IRL (Big Tour incl. Qualifier / FEI World Cup™ Competition, subject to FEI World Cup™ standings)

The three NFs with the most points obtained by having Athletes ranked below the last Athlete selected under Art. 654.1.1.1 down to rank 60 in the Longines Rankings (August or November list, as applicable) may send a second Athlete to each Event in the Western European League.

The following scale of points applies:

- an Athlete ranked below the last Athlete selected under 654.1.1.1 to rank 25 = 2 points
- an Athlete ranked 26 to 60 = 1 point

In case of a tie on points, the sum of the Longines Ranking of each NF's Athletes ranked below the last Athlete selected under 654.1.1.1 down to rank 60 will be the deciding factor, the NF with the lowest combined rankings being given priority. Paragraph 1.1.4 only applies to the NFs with six or less Athletes eligible to participate in accordance with paragraphs 1.1.1 and 1.1.2. These Athletes only have the automatic right to compete in the FEI World Cup™ Competitions at Events in the first half of the season where no qualifying Competition is held. - If an athlete is uncertain as to whether the boots they intends to use during an event are allowed, they or their representative should show the boots to the Chief Steward for their opinion before the boots are used in training or in competition.
- In addition, athletes are to be made aware that hind boots must be removed and placed again on the horse's legs in the presence of a Steward while in the warm-up arena prior to entering the competition arena for certain competitions. (If bandages are used in place of boots, athletes are not required to remove the bandages in the warm-up arena.) This procedure is compulsory for competitions for which boot and bandage control is mandatory, that is the Nations Cup, Grand Prix, and the competition with the highest prize money, and is at the discretion of the Chief Steward for other competitions.
- As an alternative to carrying out this procedure at the time designated by the Steward an athlete may ask their groom to take the boots to the in-gate and place them on the horse's legs in front of the Steward prior to the combination entering the arena.
- The Steward has the authority to intervene if a boot is deemed excessively tight by instructing that the boot be removed and put on again correctly. [Stewards are to note that it is normal for a horse's gait to be somewhat affected immediately after boots have been removed and re-placed.] If an athlete or his/her groom refuses to remove and re- place the boot(s) when instructed to do so by the Steward, a Yellow Warning Card will be issued to the athlete in question.
- If it is deemed impossible or unsafe to remove the hind boots in the warm-up arena prior to the combination entering the competition arena, due to an extremely excited or nervous horse, the boots of the horse in question are to be removed by the athlete/groom following the athlete's round upon leaving the arena and inspected by the Steward. This inspection may be carried out during the boot and bandage control if the boot and bandage control is carried out for the competition in question.
- This procedure does not replace boot and bandage control after completion of an athlete's round for competitions for which boot and bandage control is mandatory (refer to JRs Art. 244.1).

5. DISPUTES

In the event of any discussion concerning the interpretation of the schedule (in translated languages), the English version will be decisive.

6. MODIFICATION TO SCHEDULE

In exceptional circumstances, together with the approval of Chefs d'Equipe, host NF delegate, if any, and the Ground Jury, the Organiser may change the schedule in order to clarify any matter arising from an omission or due to unforeseen circumstances. Any such changes must be notified to all athletes and officials as soon as possible and they must be reported to the FEI Secretary General by the Technical Delegate, the President of the Ground Jury or the Foreign Judge, as applicable.

7. ADDITIONAL INFORMATION FROM THE ORGANISER

1. START & RESULTS LISTS

The name of the owner of each horse will be added to all start lists and result sheets, as well as its studbook initials, country of birth, sex and age.

2. DECLARATIONS

No horse will be allowed to start in more than one competition per day. Each individual athlete is allowed to compete with one horse only in each competition. Moreover, no horse will be permitted to compete in any competition, unless the declaration has been made within the deadlines specified down below, i.e.:

a. Horses participating in the competitions on Thursday January 11th 2024, must be declared at the Sports Office, immediately following the official Horse Inspection, but in any case at 19hrs30 pm at the latest;

b. Horses starting in the competitions on Friday January 12th 2024, Saturday January 13th 2024 and Sunday January 14th 2024, must be declared on the night before at the sports office, in any case at 18hrs00 pm at the latest for the CSI-U25 competitions and maximum 30 minutes following the prize giving ceremony of the last competition of the previous day and in any case not later than 22hrs30 pm for the CSI-W 5* competitions.

Exceptions of this rule are outlined in the next paragraphe '3. SUBSTITUTION'.

3. SUBSTITUTION

After declaration no substitution of horses will be permitted, unless the Event's Treating Veterinarian certifies officially, that the declared horse has become unfit to compete since the time of declaration.

In case the Event's Treating Veterinarian certifies officially, that the declared horse has become unfit to compete since the time of declaration or a declared athlete withdraws his participation since the time of declaration, horses and athletes declared for competition No 15 could be substituted (athletes in accordance with the qualification criteria of the respective competition) until no later than 90 minutes prior to the start time of the respective competition.

The final decision about the substitution is however at the discretion of the Ground Jury, for substitution of horses following consultation of the FEI Veterinary Delegate.

4. PRACTICE ARENA

Training (including working, lunging and walking) of horses is only allowed at specified times on the official and controlled exercise areas, provided by the OC from Wednesday January 10th 2024 until the conclusion of the event on Sunday, January 14th 2024.

The exercise/practice areas will be permanently supervised by FEI Stewards. During a competition the exercise/practice area is strictly reserved to horses starting in the present competition and the next three athletes must at all times be mounted and ready to enter the arena.

If an athlete is not ready when his/her starting number/name is called, he/she will lose his/her place in the starting order and he/she will be eliminated from that competition at the discretion of the Ground Jury, unless certain circumstances prevent this (e.g. losing a horse shoe just before his/her turn to start).

5. IMAGE RIGHTS

The Organising Committee reserves the right to use – without any compensation due – photographs, videos or any other digital registered picture from athletes and/or horses, made or registered during the Longines CHI Classics Basel – 2024, for promotional and/or marketing purposes, related to the event. It is a condition of entry that all athletes will permit any photographic or filmed material derived during the course of the event, to be utilised subsequently by the Organising Committee for future promotion of their business interests or the event, at no cost to the latter.

Moreover the Organising Committee would highly appreciate the athlete's co-operation for marketing activities related to the event (for example to join a meet and greet session with main sponsors), for approximately 10/15 minutes maximum, if so requested.

6. INCIVILITY

Any act of discourtesy or disobedience to any judge, steward or show official on the part of the athlete, groom, driver or owner of a horse may – at the sole discretion of the President of the Ground Jury, following consultation of the Foreign Judge – result in the athlete being disqualified from the event, in which case (entry) fees and prize money won will be forfeited.

7. PARADING

All horses must be paraded whenever so ordered by the Organising Committee or an authorised show official. Any failure to comply with this rule may result in disqualification from competing and forfeiture of prizes, at the discretion of the Ground Jury.

8. DOCTOR | MEDICAL SERVICE | FARRIER

Veterinary and medical assistance, as well as farriery services, are available for the duration of the event. These are at the expense of those requesting them.

When, in the opinion of the event's Treating Veterinarian, a horse is so severely injured that it ought to be humanely destroyed, the Person Responsible should where possible first be informed. However, the Event's Treating Veterinarian may proceed with humane destruction, without reference to the PR, in order to prevent undue suffering to the horse. Before taking this action, the event's Treating Veterinarian should, wherever practicable, seek a second veterinary opinion. In such eventuality, owners are responsible for the costs of disposal.

9. PRIVATE VETERINARY SURGEONS

Private veterinaries will have to report to the FEI Veterinary Delegate upon their arrival at the show grounds, before they will be accredited and be allowed to enter the event's restricted area. Under no circumstance will any veterinary surgeon other than the FEI permitted Treating Veterinarian be allowed to treat any horse at the Longines CHI Classics Basel – 2024, unless permission in writing has been received from the event's FEI Veterinary Delegate.

10. STABLING

All horses, entered for the competitions of the Longines CHI Classics Basel – 2024 must be stabled in the official stables provided by the Organising Committee (immediately after the official Horse Inspection) for the entire duration of the event.

11. EMERGENCY STABLE CARDS

ECSCs must be obtained from the stable managers office upon arrival at the event. It is the responsibility of the rider/groom to complete the card in full and affix to their horses stable door for the duration of their stay at the show.

Whilst every reasonable effort will be made to contact the owner/person responsible of the animal, if unsuccessful the event's Treating Veterinarian on duty will treat the animal as he finds necessary.

12. IDENTIFICATION

For identification purpose all horses stabled must carry their identification number whenever leaving the stables; offences against this rule, will incur a fine.

14. CUSTOMS/HEALTH DOCUMENTS

Foreign athletes requiring health documents for their horses to facilitate their onward journey following their sojourn at the Longines CHI Classics Basel – 2024, must send the completed forms that are required by Canton Basel-Landschaft to export your horses again (and that will be available for download from our website on <https://www.chi-classics-basel.com/participants/>) directly to veterinaerdienst@bl.ch and in CC to karin.herzog@chi-classics-basel.com until no later than Friday, 12 January 2024 at 08:00 am. Please note (and check / make sure) that you will receive a receipt confirmation in case of successful submission to veterinaerdienst@bl.ch.

15. DOGS

No dogs in the main arena. Dogs must be kept on a leash at all times; offences against this rule may lead to permanent withdrawal of the accreditation of the person concerned.

16. ORGANISING COMMITTEE

The organiser referred to in this schedule shall mean < CHI Classics Basel Ltd > and will in this document be referred to as the Organising Committee.

17. GENERAL

Competitors and others involved in the Longines CHI Classics Basel – 2024 must make themselves conversant with this official schedule's content, in addition to the special conditions applicable to the various competitions.

Riders may only compete on the understanding that they comply with and are bound by these regulations and the special conditions relating to each competition. In case of a tie for the 12th place in a competition with 12 to 48 starters, the prize money foreseen for the 12th place will be divided equally among the athletes concerned.

For Competitions run in two rounds with more than 12 starters in 2nd round:

OCs that indicate in the schedule that a specific number (that is more than 12) of athletes will return for the second round will be permitted to distribute the prize money for that competition among all the athletes taking part in the second round, even if the second round is followed by a jump-off in case of a tie on penalties for first place after the second round.

DEDUCTIONS FROM PRIZE MONEY AT COMPETITIONS

Full details of any deductions from prize money must be outlined in the schedule. This includes government taxes. If it is necessary for Organisers to deduct such taxes, they must provide participants with an official form indicating the amount of tax deducted.

The tax form must be provided to the athletes upon arrival and returned to the Organiser prior to departing.

IMPORTANT

The total amount of prize money shown for each Competition in the schedule must be distributed. (FEI General Regulations articles 127 and 128)

For details of the prize money breakdown for each competition please refer to the tables at the end of this document; the Organiser must specify which of the two (2) tables will be used. The total prize money for the Competition must be distributed among the first twelve (12) placed athletes.

The Organiser must provide additional created prizes for athletes placed beyond twelfth (12th) place. The minimum amount for each of these additional prizes, for athletes placed from thirteenth (13th) to last place, must be clearly specified in the approved schedule and not exceed the prize money of the athlete placed twelfth (12th).

Foreign athletes are taxable in Canton Basel-Land | SUI by 15% tax deduction on money prizes won; the Organising Committee will deduct taxes from prize money won immediately. Settlement will be done per athlete. The OC will deduct outstanding debts of the athlete concerned.

The athletes' accounts will be established in CHF. Athletes will be invited to provide all necessary information, in order to guarantee the correct tax procedure; to this purpose all athletes must provide the Organising Committee with a copy of the relevant pages of their passport and their home address. Foreign athletes being exempted from tax deduction are kindly requested to submit an exemption certificate either with their entries for the event or on the first day of the event at the latest.

Every athlete is personally responsible for the correctness of the details he/she submits to the Organising Committee.

Prize Money Transfer

Prize money will be paid by bank transfer to the account registered for the rider at app.eventclearing.lu. The scheduled prizes are gross amounts. Settlement will be done per athlete. Depending on the agreement with the horse owner, each athlete binds himself to pass on to the horse owners the prize money or prizes in kind rewarded instead of prize money. The organizer is allowed to deduct possibly outstanding debts of the athlete.

9. MAXIMUM NUMBER OF STARTERS PER COMPETITION

***Annex VI FEI Jumping Rules:**

Maximum 100 starters per Competition other than the GP. If more than 100 starters are declared, the OC must split the competition into the number of groups required to ensure that there are no more than 100 starters in any group, and provide the same amount of prize money as indicated

The additional prize money provided by the OC is not taken into consideration with regard to the overall prize money that determines the star level of the Event or the Longines Ranking point group of the Competition, if applicable.

OCs may apply either of the following methods for splitting the Competition:

- The competition is split into the number of groups required before it starts. There may be athletes with multiple horses in each group but all horses of any one athlete must be in the same group. If it is not possible to have groups of equal size there may be a different number of starters in each group;
- The competition is run as one single competition and split afterward into the number of groups required to ensure that there are no more than 100 starters in any group, and the classification established as follows: the athlete with the best score is the winner of the first group, the athlete with the second best score is the winner of the second group and so on until prizes have been allocated to 25% of the total number of starters. NB: In this case separate results must be sent to the FEI for each of the groups, e.g. results for Competition 1a and for Competition 1b (and for Competition 1c if the original Competition was split into three groups, etc).

In both cases above each group must offer the same amount of prize money as indicated for the original Competition. For the avoidance of doubt, it is the number of declared starters in the Competition, not the final number of starters that determines whether the Competition must be split.

As all FEI World Cup™ Competitions have the status of a Grand Prix, the minimum prize money requirements for the Grand Prix are applicable to the World Cup™ Competition.

For CSI-W Events with a Grand Prix Competition in addition to the FEI World Cup™ Competition, the minimum prize money requirements indicated for the Grand Prix apply only to the FEI World Cup™ Competition; the Grand Prix Competition at

such Events cannot offer more prize money than the prize money offered for the FEI World Cup™ Competition.
